NOTE

The Judicial Nominating Commission of Lake County was established under Public Law No. 308, 1973 Acts of Indiana, passed by the 98th General Assembly, First Regular Session, and signed into law by Governor Otis R. Bowen on April 23, 1973.

The new law created a new Superior Court system for Lake County, combining the former five Lake Superior Courts, the Lake Criminal Court and the Lake Juvenile Court, and adding three Criminal Courts, all under the title of the Superior Court of Lake County.

The new Court structure now has five Civil Division Court Rooms One through Five, Four Criminal Division Court Rooms One through Four, and a single Juvenile Division Court. The Lake Circuit Court of the 31st Judicial Circuit and the Three Small Claim Courts is not a part of the new Superior Court system.

All Judges now serving in the new Superior Court system shall, in subsequent General Elections, submit to the electorate of Lake County, the question of their retention in office, or rejection, should they desire to continue in office at the conclusion of their current terms.

Any vacancies occurring in the new Court system shall be filled by appointment of the Governor from a list of nominees submitted to him by the Judicial Nominating Commission.

The Clerk of the Lake Circuit Court attends the new Superior Court of Lake County and discharges all duties pertaining to this office as they are now or may hereafter be required to do in the Circuit Court.
